

# 2008-09 DIRECTORS' CUP ALL-SPORTS STANDINGS

**How the nation's top 10 schools, the Big 12 and Texas' other Division I schools** finished in the 2008-09 Learfield Sports Directors' Cup all-sports standings, presented by the National Association of Collegiate Directors of Athletics.

**Methodology:** Division I standings were determined by points awarded in the schools' 10 top-scoring men's sports and 10 top-scoring women's sports. Sports were determined by the final rank in a sport according to formulas established by NACDA. Points are based on the number of teams qualifying for each sport's national tournament. Sports without a tournament are scored on a separate scale. A minimum of five points are awarded to a team that places 65th or better.

Coed points can replace a lower score in a men's or women's sport. Fencing and skiing were initially counted in the women's tally. Either could have moved to the men's tally if the women scored in more than their permissible number of sports. Rifle was counted for the gender that had a higher percentage of members on the team.

For the complete list, log on to [www.nacda.com](http://www.nacda.com).

x-indicates points were scored but not counted toward the total because the school scored in more than 10 sports for that gender. North Texas, Texas Southern and UT-Pan American did not finish 65th or better in any sport and did not receive any points in the rankings.
